Rep. Tom Pearce, from the 73rd District, offered the following invocation:

“The Shepherds and the Angels:

And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. But the angel said to them, ‘Do not be afraid. I bring you good news of great joy that will be for all the people.’

God, Creator of the heavens and the earth, just as the shepherds experienced a new hope that night so many years ago, may any of our citizens of this great state in need of hope also experience it soon.

Just as the shepherds were eye witnesses that same morning to the greatest gift ever given, may each of us be reminded of that gift and its meaning in our lives.

Just as the shepherds were confused and terrified at all that was happening around in the middle of the night, may we be protected from confusion and give our state the gift of doing no harm in the next few hours.
Amen.”

House Resolution No. 367.

A resolution to urge the United States Postal Service to keep open the Saginaw, Michigan, mail processing and distribution center.

(For text of resolution, see House Journal No. 95, p. 1973.)

(The resolution was discharged from the Committee on Government Operations on December 3.)

The question being on the adoption of the resolution,

Rep. Oakes moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 367.

A resolution to urge the United States Postal Service to keep open the Saginaw, Michigan, mail processing and distribution center.

Whereas, On November 15, 2010, the United States Postal Service concluded an Area Mail Processing (AMP) survey to determine whether or not to consolidate the Saginaw Processing and Distribution Center operations into the Michigan Metroplex in Pontiac, Michigan. The postal service is considering consolidation in order to reduce a budget shortfall for the Greater Michigan Postal District; and

Whereas, There are many observers who feel the move to close the Saginaw facility will not bring about a commensurate increase in efficiencies, but will result instead in a deterioration of service. Clearly, every effort must be made to encourage the highest standards of responsiveness to customers; and

Whereas, If the consolidation of operations were to occur, nearly 46 positions are expected to be lost or transferred out of the region to other postal facilities. This would have a detrimental impact on the Saginaw economy as well-paying jobs flee the area. In addition, closing the Saginaw mail processing operations will result in a lower standard of service because without the processing center, mail cannot be delivered to this region in an efficient and timely manner; now, therefore, be it

Resolved by the House of Representatives, That we urge the United States Postal Service to maintain mail processing services out of Saginaw; and be it further

Resolved, That copies of this resolution be transmitted to the United States Postal Service.

The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.
